thirst

QUENCH YOUR SKIN'S THIRST.

This revolutionary treatment, with anti-oxidants and deep dermal moisture, leverages hyperbaric oxygen to drive, repair and prevent aging. It is the perfect compliment or alternative to laser treatments. It speeds the recovery and reparation time of cosmetic procedures. Hyperbaric oxygen slows oil gland activity and helps eliminate the bacteria which cause blemishes.

\$300*

\$1620 series of six*

★ revive

FEELING LIFELESS, DRAINED AND DEHYDRATED?

Relax, revive and sip on an Elixir™ and detox with a quick pore cleansing as refreshing hyperbaric Oxygen fills your skin with much needed moisture, then oxygenate your internal cells with medical-grade oxygen inhalation therapy.
